***Living a Mutually-Enhancing
Relationship with Earth.***

Miriam MacGillis is a Dominican Sister of Caldwell, New Jersey. She lives and works at Genesis Farm (an organic farm and Earth Literacy Centre) in Blairstown, NJ, which she co-founded in 1980 with the sponsorship of her Dominican congregation. In 2005 she received the Thomas Berry Award, and in 2007 was named among the planet's top 15 green religious leaders by Grist magazine. She lectures extensively and has conducted workshops in the USA, Canada, Europe, Asia and the Pacific.
