## HOW TO SECURE A GARDEN PLOT

Read the *Guidelines for the Use of Ignatius Farm Garden Plots*, found at [www.ignatiusguelph.ca/farm](http://www.ignatiusguelph.ca/farm)

**Register** your details, plot preferences, and agreement to follow the guidelines.

**Pay** by cheque in full with registration, or by cash at our *Welcome Spring* field day (TBA).

**Come to the farm** for our *Welcome Spring* field day to find your plot allocation. The field day will be in May; the exact date will be based on the weather.

**Direct questions** to rentedgardens@hotmail.com. Our garden plot working group coordinator (volunteer) will get back to you. Compost and hay bale purchases can be ordered throughout the growing season using this email. Contact us regarding plots available for early planting, or semi-permanent plantings.

Cheques payable to *Ignatius Jesuit Centre*.

We will contact you to confirm registration and to inform you of the date of the *Welcome Spring* field day (when garden plots are ready to plant). You must provide a sign to mark your plot.
